PART 1

1. A: Hey, can you look at this for me? I don't know this word.
B: Hmm, you should look it up yourself.
A: I've already checked my dictionary.
B: It isn't in there? You should check online.

2. A: Here, this is for you.
B: Uhh... thanks. But what is this for?
A: I heard you lost yours.
B: Yes, but the weather will be much better after lunch. I don't think I need it.
A: I see.
B: Thanks anyway.

3. A: Let's play a video game!
B: Sure, that sounds good.
A: I just got this new adventure game for my birthday. Or, we could continue playing that RPG... or we can play the FIFA soccer game again.
B: Let's try the one we haven't played before.

PART 2

1. A: Sorry. I know you are busy but I need your help. We have to deliver these packages today.
B: Sure. No problem.
A: Here are the addresses. I'll take the clothes and deliver them to 77 Main Street because it is close. Can you do the others?
B: Of course. I'll deliver the books to 16 Peach Road, then I will take the dry noodles to 389 Orange Park.
A: Oh, the chocolate is also on Main Street, house number 265. I can do that one, too.
B: Ok, see you later!

2. A: I want to order more paper for the copy machine. Let's check how much of each size we have. I can see that we have 3 boxes of A5 paper.
B: There is still a lot of B4 paper, too. About 6 boxes.
A: I see. Well, we use a lot of that, so let's get a little more. How about the others?
B: There are only 3 boxes of B5 paper here. And... we have 6 boxes of A4 paper. No, wait, there are 3 more over there on the shelf. That's enough, I think.
A: Ok, I'll get more B5 then.
B: Maybe some more A3 as well. There are only 2 boxes left.
A: We don't really use that size very often. That box hasn't been opened for a long time. Thanks for your help!
B: No problem.

PART 3

1. Michael plans to go to America this summer. He will (spend) two weeks in Chicago and two weeks in San Diego. Because he only has a month before his trip, he is (saving) money.
2. I love my dog Didi so much. She was a Christmas present from my wife. I walk her every morning and at night, too. She doesn't like (other) dogs, but she loves (getting) snacks!
3. A: Do you have squirrels here in Japan?
B: Yes, we do.
A: Really? (I have never seen one here).
B: I think they are less common than in Canada.
4. A: What would you like to drink?
B: Cola, please. It tastes great on a hot day.
A: Cola? Is that healthy?
B: Well, (what do you suggest)?
A: I love green tea or oolong tea. Try some!
5. A: Are you all right?
B: Nooooo! I forgot my phone on that train.
A: Here, (use mine and call the next station). They will keep it for you.
B: Thank you so much!
