

## 2024 Entrance Listening Scripts

### Part 1

1. A: You look so sad. What's wrong?  
B: I hate Tuesdays. There are a lot of tests. And I don't like math at all.  
A: But we have computer class and music class after lunch!  
B: I prefer running around outside.
2. A: Yuko, wake up! You need to get ready for work!  
B: Relax dad, I still have lots of time.  
A: No, you don't. Your train leaves at eight o'clock.  
B: So... I have 30 minutes. No problem!
3. A: Hi Mike. Today's soccer club practice starts in the afternoon. Can you come?  
B: Yeah, it should be no problem. I just have to make lunch for my sister first.  
A: Have you already finished your homework?  
B: No, but I'll do that tonight.

### Part 2

1. Here is the floor guide for our supermarket. Please remember where each item is so that you can help our customers if they need help. Row 1 is for fruits and vegetables. The row next to that is spices and sugar. Row 3 has many kinds of snacks and cookies. After that is meat and fish, then soup, and pasta. Finally in row 6 we have our milk and cheese. I know it is a lot to remember now, but you will learn quickly.
2. Welcome to Beachwood Resort! We are so happy to see you. Our resort has many interesting events every day. Please look at the event calendar in your room. On Mondays and Wednesdays, we have an all-day fishing tour. This is your chance to catch dinner and make a good memory! On Tuesdays and Thursdays, we have our events for small children. They can go swimming in the morning and then make sandcastles on the beach in the afternoon. Friday and Saturday nights are for dancing. Come enter the dance contest and you could win a big prize! On Sunday morning we have yoga, and in the afternoon an art teacher comes to give a painting lesson. You can paint some of our beautiful nature on a postcard and send it home. If you have any questions, please ask me!

### Part 3

1. Tomorrow is my brother's birthday. I want to get him something nice because he got me a game last year. I was thinking about a necktie for his new job, but it is expensive. Maybe I will make him a cake!
2. I usually eat lunch at the small café near my house. The owner is really friendly, and their sandwiches are delicious. But, when I went there today, they were closed! I was really surprised! I hope that nobody is sick and that it is open again tomorrow.
3. A: I'm so hungry. Can we go out for dinner?  
B: No way! It is so cold outside. I'm not leaving the house.  
A: Then, can we get pizza delivered?  
B: That's a great idea.
4. A: Excuse me, I have a question.  
B: Sure Mary, what is it?  
A: Do we have a meeting tomorrow?  
B: No, it was canceled. We will have it next Monday.  
A: Ok, thank you.
5. A: May I help you?  
B: Yes, I am looking for a new suit. I'm going to a wedding.  
A: Oh, congratulations. When is it?  
B: Next week. Is that enough time?  
A: No problem. It will be ready on Saturday.
